The fourth section, incident report writing, requires an applicant to write out answers in complete sentences in spaces provided in the test booklet.

Grades will be based on a maximum grade of 100 percent, determined entirely by the correctness of the answers to the questions. A minimum passing grade of 70 percent is required in order to pass the test and be placed on the eligibility list. This numeric score will be weighted at 0 percent of the total points earned during the selection process.

The only way to get the City's matching funds is to retire from TMRS and receive a monthly payment.	2 (City) to 1 (Employee)
City contribution rate	This rate is set annually by TMRS based on actuarial assumption changes.	7.17% (Effective 01/01/2023)
Employee contribution rate	Each month, the City withholds 7% of your gross monthly salary and deposits the money in a TMRS account in your name. Once vested, even if you leave City employment, you may leave your deposits with TMRS and retire with a TMRS retirement benefit when you reach age 60.	10 years
Retirement eligibility	At retirement, your member deposits and the interest earned are combined with the City's matching funds and other credits granted. TMRS then calculates a monthly retirement benefit based on these amounts, the interest they will earn, an estimate of your remaining life expectancy at retirement, and other factors.	10 years service, at least age 60 or 20 years service, at any age
