Subject: SPI Progress Report, City-Wide Sanitary Sewer Study, 8/7/2026

Good afternoon Mr. De La Rosa,

The following is our progress report for the City-wide sanitary sewer system study.

Smoke Testing/Manhole Inspections - Completed.

Flow Monitoring - Flow monitoring is complete.

Hydraulic Analysis - The Model is complete, however, we are continuing to run scenarios in support of our findings.

Final Report - The draft report has been submitted to Staff for comment.

Please let me know if you have any questions. Thank you.
