BENEFIT	DESCRIPTION	OPTION ADOPTED

The only way to get the City's matching funds is to retire from TMRS and receive a monthly payment.	2 (City) to 1 (Employee)
City contribution rate	This rate is set annually by TMRS based on actuarial assumption changes.	7.50% (Effective 01/01/2024)
Employee contribution rate	Each month, the City withholds 7% of your gross monthly salary and deposits the money in a TMRS account in your name. These are your member deposits, which are tax-deferred. This means that are not subject to federal income tax until they are paid back to you in the form of a refund or a monthly retirement benefit.	7% of your gross salary, tax deferred
Vesting requirement	Vesting means you have worked enough years and established enough service credit to meet the minimum length-of-service requirement for retirement. Once vested, even if you leave City employment, you may leave your deposits with TMRS and retire with a TMRS retirement benefit when you reach age 60.	10 years
Retirement eligibility	At retirement, your member deposits and the interest earned are combined with the City's matching funds and other credits granted. TMRS then calculates a monthly retirement benefit based on these amounts, the interest they will earn, an estimate of your remaining life expectancy at retirement, and other factors.	10 years service, at least age 60 or 20 years service, at any age
