Each TMRS participating city has its own retirement plan provisions within the general framework of the Act. A summary of some of the City's current provisions are as follows:

BENEFIT	DESCRIPTION	OPTION ADOPTED
City matching ratio	The City of Nederland matches your deposits and interest at a rate chose by the City of Nederland. The City's matching funds are held in the City's TMRS account until you retire. The only way to get the City's matching funds is to retire from TMRS and receive a monthly payment.	2 (City) to 1 (Employee)
City contribution rate	This rate is set annually by TMRS based on actuarial assumption changes.	11.27% (Effective 01/01/2026)
Employee contribution rate	Each month, the City withholds 7% of your gross monthly salary and deposits the money in a TMRS account in your name. These are your member deposits, which are tax-deferred. This means that are not subject to federal income tax until they are paid back to you in the form of a refund or a monthly retirement benefit.	7% of your gross salary, tax deferred
Vesting requirement	Vesting means you have worked enough years and established enough service credit to meet the minimum length-of-service requirement for retirement. Once vested, even if you leave City employment, you may leave your deposits with TMRS and retire with a TMRS retirement benefit	10 years

	when you reach age 60.	
Retirement eligibility	At retirement, your member deposits and the interest earned are combined with the City's matching funds and other credits granted. TMRS then calculates a monthly retirement benefit based on these amounts, the interest they will earn, an estimate of your remaining life expectancy at retirement, and other factors.	10 years service, at least age 60 or 20 years service, at any age

Other available options include Updated Service Credit, Military Service Credit, Buy-Back Provision, and Restricted Prior Service Credit.

During the plan year, only certain qualifying events will permit a late entrant to be added at a

time other than open enrollment, such as marriage, birth of a child or termination of spouse's employment - such adds must be reported within thirty-one (31) days of the qualifying event.

Once insurance benefits become effective, it is the employee's responsibility to notify the Personnel Office of any changes which may affect coverage, such as family status, as well as changes of name, address, and telephone number.

#### Long Term Disability Insurance Plan

The City provides a Long Term Disability Policy through Dearborn National. The employee premium is paid in full by the City.

#### Life and Accidental Death and Dismemberment Insurance Plan

The City provides a Life and Accidental Death & Dismemberment Policy through Dearborn National. The employee premium is paid in full by the City. The current death benefit is equivalent to twice the employee's base salary rounded to the nearest \$1,000.00, to a maximum of \$200,000.00. For example, an employee who earns a base salary of \$13.43 per hour would receive a death benefit of \$56,000.00. (\$13.43/hr. x 2,080 hrs./yr.=\$27,934.40/yr. x 2=\$55,868.80, rounded to nearest \$1,000.00=\$56,000.00). For active employees attaining the age 70, the death benefit is reduced to 65% of the amount then currently in force and at age 75, the death benefit is reduced to 50%. Retired employees are eligible for a flat \$10,000.00 death benefit upon retirement.

The payroll deductions are pre-tax contributions. Employee contributions and earnings on them are not taxed while the employee lets them grow since they are retirement savings. This plan is not to be confused with the TMRS plan. The City does not match employee contributions in the MissionSquare Retirement plan. The plan is administered by the City's Director of Finance.

In consideration of the City's acceptance and consideration of any application for employment, I hereby, and by these presents do for my heirs, agents, executors, administrators, and assigns, release and forever discharge the City and all affiliated entities from all claims, demands, damages, actions, and causes of action pertaining to or arising out of the City's consideration for my application for employment and use, so long as not malicious, of all information obtained in the course or as a result of all inquiries made into my personal history, and release and forever discharge all former employers from all liability arising out of disclosure to the City of information pertaining to my personal history.

I understand that the City is an employment-at-will employer, in that, either I or the City may terminate my employment at any time for any or no reason subject to applicable state of federal law. I understand that if I am hired, I am free to resign at any time, with or without cause and without prior notice, and the City reserves the same right to terminate my employment at any time, with or without cause and without prior notice, except as may be required by law.
