Each TMRS participating city has its own retirement plan provisions within the general framework of the Act. A summary of some of the City's current provisions are as follows:

BENEFIT	DESCRIPTION	OPTION ADOPTED
City matching ratio	The City of Nederland matches your deposits and interest at a rate chose by the City of Nederland. The City's matching funds are held in the City's TMRS account until you retire. The only way to get the City's matching funds is to retire from TMRS and receive a monthly payment.	2 (City) to 1 (Employee)
City contribution rate	This rate is set annually by TMRS based on actuarial assumption changes.	7.85% (Effective 01/01/2025)
Employee contribution rate	Each month, the City withholds 7% of your gross monthly salary and deposits the money in a TMRS account in your name. These are your member deposits, which are tax-deferred. This means that are not subject to federal income tax until they are paid back to you in the form of a refund or a monthly retirement benefit.	7% of your gross salary, tax deferred
Vesting requirement	Vesting means you have worked enough years and established enough service credit to meet the minimum length-of-service requirement for retirement. Once vested, even if you leave City employment, you may leave your deposits with TMRS and retire with a TMRS retirement benefit when you reach age 60.	10 years
Retirement eligibility	At retirement, your member deposits and the interest earned are combined with the City's matching funds and other credits granted. TMRS then calculates a monthly retirement benefit based on these amounts, the interest they will earn, an estimate of your remaining life expectancy at retirement, and other factors.	10 years service, at least age 60 or 20 years service, at any age

Other available options include Updated Service Credit, Military Service Credit, Buy-Back Provision, and Restricted Prior Service Credit.

AUTHORIZATION AND RELEASE FORM

I understand this application is current for this selection process only. At the conclusion of this selection process, this application will become inactive. When a future vacancy arises, and if I wish to be considered for employment, it will be necessary for me to fill out a new application. Applications submitted after the posted deadline will not be accepted.

I understand the City of Nederland, hereinafter referred to as "the City", does not unlawfully discriminate in employment and no question on this application is used for the purpose of limiting or excusing any applicant from consideration for employment on a basis prohibited by local, State, or Federal law.

I understand it is the City's policy not to refuse to hire a qualified individual with a disability because of that person's need for a reasonable accommodation as required by the ADA. Applicants may be required to perform particular job functions as a part of the testing procedure in accordance with the selection procedures designated for particular job titles. The demonstration tests will be required of all applicants for the particular job, without exception. Applicants are to notify the City in advance of any reasonable accommodation necessary to perform job functions or tests.

I understand that in accordance with the City of Nederland Substance Abuse Policy that any applicant tentatively selected for this position will be required to submit to pre-job offer testing to screen for substance and/or alcohol abuse prior to employment, and that employment in the position will be contingent upon a negative test result. I understand that failing the substance and/or alcohol screen will eliminate me from being considered for this position and any other position with the City for a one year period.

I understand that if I am hired for a position requiring a commercial drivers license, I must comply with the Omnibus Transportation Employee Testing Act of 1991.

I understand that if I am made a tentative offer of employment, my employment is contingent upon successful completion of a post conditional job offer fitness for duty examination and/or medical examination.

I understand that if I am hired, I will be required to provide proof of identity and legal work authorization.

I understand that all Regular Full-Time positions require incumbents in the course and scope of their employment to provide services for the benefit of the general public during emergency situations that threaten the safety of Nederland's citizens. Without an approved waiver, employees are required to work immediately before, during, or immediately after an emergency.

I understand that the information given in the employment process may be investigated and inquiries will be made concerning my employment, education, criminal history, driving records, and other related matters. I give the City the right to contact and obtain information from all references, employers, educational institutions, and government agencies and to otherwise verify the accuracy of the information contained in this application. I hereby release from liability the City and its representatives for seeking, gathering, and using such information and all other persons, corporations, agencies, or organizations for furnishing such information. Accordingly, I hereby authorize all current and former employers, and all other public and private concerns, including (but not limited to) consumer reporting agencies and similar entities, to release any and all information maintained by any such employer, concern, agency, or entity concerning my personal history. I understand if employment with the City is

denied wholly or partly because of information contained in a consumer report obtained from a consumer reporting (or similar) agency, that I will be entitled to receive from the City only the name and address of the consumer reporting agency or agencies from which the report was obtained.

In consideration of the City's acceptance and consideration of any application for employment, I hereby, and by these presents do for my heirs, agents, executors, administrators, and assigns, release and forever discharge the City and all affiliated entities from all claims, demands, damages, actions, and causes of action pertaining to or arising out of the City's consideration for my application for employment and use, so long as not malicious, of all information obtained in the course or as a result of all inquiries made into my personal history, and release and forever discharge all former employers from all liability arising out of disclosure to the City of information pertaining to my personal history.

I understand that the City is an employment-at-will employer, in that, either I or the City may terminate my employment at any time for any or no reason subject to applicable state of federal law. I understand that if I am hired, I am free to resign at any time, with or without cause and without prior notice, and the City reserves the same right to terminate my employment at any time, with or without cause and without prior notice, except as may be required by law. This application does not constitute an agreement or contract for employment for any specified period or definite duration. I understand that no representative of the City, other than an authorized officer, has the authority to make any assurances to the contrary. I further understand that any such assurances must be in writing and signed by an authorized officer.

I understand that my application is subject to the Texas Public Information Act and may be released as a public document. I understand that this application is the property of the City and will become a part of my personnel file if I am hired.

I understand that any falsification, willful omission or deception made in connection with the employment process shall be sufficient cause for refusal of employment or dismissal whenever it is discovered.

I certify that all statements made herein or elsewhere in connection with my application for employment are true and correct. I represent and warrant that I have read and fully understand the foregoing and seek employment under these conditions.
