City contribution rate	This rate is set annually by TMRS based on actuarial assumption changes.	7.17% (Effective 01/01/2023)

Once vested, even if you leave City employment, you may leave your deposits with TMRS and retire with a TMRS retirement benefit when you reach age 60.	10 years
Retirement eligibility	At retirement, your member deposits and the interest earned are combined with the City's matching funds and other credits granted. TMRS then calculates a monthly retirement benefit based on these amounts, the interest they will earn, an estimate of your remaining life expectancy at retirement, and other factors.	10 years service, at least age 60  or  20 years service, at any age
